Golf News

LETTER FROM THE PRO

Dear members of Casino Golf Club,

It is with great sadness that I inform you all that I will be departing Casino Golf Club as Golf Professional, when the club finds a suitable replacement.

I have been approached by my old club at Wentworth Falls to come back as head professional and I have accepted the role.

This decision didn't come easily as I have met some wonderful people here and made some lifelong friends.

I have had a great time coaching and servicing your golfing needs and I wish to thank you all for your friendship.

If you are ever travelling through the Blue Mountains please come on in and say G'day.

Riley Taylor has decided to complete his PGA training and continue his employment with my company in Sydney.

With my full support I endeavor to help Riley become the best Golf Professional PGA member he can be.

Playing and training on Sydney golf courses will be a great experience and possibly open up opportunities in the golf industry down the track.

Riley is excited to play in his first ever professional event at Gailes Golf Club on Monday the 18th January.

Although Riley is looking forward to coming to Sydney, he will obviously return on holidays to catch up with friends and family and I am sure he will pop in to the club and say hi.

Riley wishes to thanks all the members of Casino Golf Club for many years of friendship and support.

Sincerely,
Lang Doolan

LETTER FROM THE MANAGER

On behalf of the board and management of Casino Golf Club I would like to thank Lang Doolan for his services to the club since October 2019.

Lang has provided our members and visitors a welcomed change to the golf services during his tenure at the club and I thank him for the development and achievements he has made for the betterment of club services.

It is disappointing to see Lang go given the great inroads he has made here in a short period, however, we wish him all the best with his future endeavors.

Understanding our long standing Club Champion and newly enrolled Trainee Professional - Riley Taylor will also be departing us as he pursues a career in golf.

I echo Lang's comments that it will be fantastic experience for Riley to join the trainee circuit in Sydney and will be a great career move for him.

We wish him all the best as he proceeds through his traineeship.

Acknowledging the Golf Shop is a pivotal part of our club, the recruitment process has already commenced to find our next Golf Professional.

Currently we have engaged the PGA and Golf Industry Central to source suitable candidates and develop the best model, whether that be employee or contractor moving forward.

Whilst Lang will remain with us until late March, this will give us a reasonable amount of time to select the ideal candidate and have all the necessities in place for a smooth transition of services from the current to future operations.

I look forward to giving you further updates as we progress through this transition period, and should anyone have questions or concerns, please do not hesitate in reaching out to me.

Kind Regards,
Andrew Porter
General Manager
